

## FMJH Choir Volunteer Form

Attention all choir families! We are so very fortunate to have parent and guardian help and support for our choirs! Our students work hard to make our program entertaining and strong and to maintain its tradition of excellence. In addition to the time and dedication of our children we also need help this year from their parents. Listed below is a list of opportunities for you to support our choir program this year.

**Please check all areas you are interested in helping.**

**Transportation (Choir Cab)** (various pre-arranged times) \_\_\_\_\_

Volunteers will drive to and from performances or rehearsals. Choir Cab drivers pick up students from a designated location in the community (CVS for example) and bring them to the event, providing a ride back to their door (if needed).

**This is one of our most needed and impactful areas for volunteers!**

The more volunteers we have, the more students we can accommodate.

**Uniforms** (School days in September/October) \_\_\_\_\_

Volunteers will work with the chairman to pass out uniforms at the beginning of the year. This involves hours during the day so we can fit each student with a uniform during their class time. It is usually accomplished in a few days.

**Social** (school day and/or weekend) \_\_\_\_\_

Volunteers will work with directors to assist in social activities. Areas of support may include picking up supplies (to be reimbursed) and/or transportation.

**Fundraising** (Late September) \_\_\_\_\_

Our fundraising project is a simple gift brochure sale.

Volunteers will help the chairman receive orders and money during the school day.

**Concert Host or Hostess** (Evenings of choir Concerts) \_\_\_\_\_

Volunteers will help with students before concerts. They help with bowties.

**Solo and Ensemble** (Day of event) \_\_\_\_\_

Volunteers will help coordinate accommodations for judges (refreshments, etc.) or other needs and requested.
